

37 CFR 1.121 - Amendments

A claim may be canceled by an instruction (e.g., "cancel claim 3")

- A canceled claim can be reinstated only by re-presentation of the complete text of the claim with a new claim number

Dear Teresa Dawkins, I hope that this will serve to properly identify the status of claims submitted on original application as well as amended on 2-26-03

I do request/instruct that claims submitted on original application 10/086.226, 1, 2, 3 and 4 be canceled and reinstated as written within the amendment dated 2-26-03. This identifies the status of claims 1, 2, 3, 4 dated 2-26-03 as current and correct. The original claims being superseded. A copy (37 CFR 1.121(h)) of said claims is enclosed herin. Thank you
